

ERMes: May 2010 Release Notes

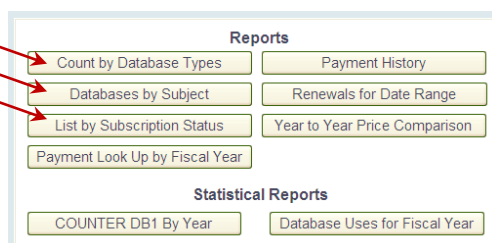

Known Bug - Fixed!

The find record function **now works** to search by database title from a Database / Cost History screen.

New Reports

- Count by Database Types
- Databases by Subject
- List by Subscription Status

New Data Entry Fields

Database and Cost Information

{note: Red-labeled fields contain data that will appear on the A-Z List should you chose to use it.}

A screenshot of the ERMes database entry form. The form is titled 'ERMes v. 2010.05'. It contains several sections: 'Database' (African American Music Reference), 'Vendor Name' (Alexander Street Press), 'Source' (Madison), 'User Limits', 'Subscription Status' (Active), 'Format' (Internet), 'Authentication Limits' (IP Range), 'Access Rights' (On/Off campus), 'Coverage Years', 'Update Frequency', 'Subject/Department' (Diversity, General, History, Music), 'Database Type', and 'Include on A-Z List?' (checked). A 'Database Summary / Description' section provides details about the resource. Below this is a 'Number of Full Text...' section with input fields for 'All Full Text', 'Magazines', 'Trade Journals', 'Scholarly Journals', 'Newspapers', and 'Monographs'. At the bottom, there are tabs for 'Database Cost History', 'Statistics Info', 'General Notes/URLS', and 'Rights Statements'. A 'Proxy?' checkbox is checked, and a 'Database URL' field contains 'https://libweb.uvlfax.edu/login?url=http://aamr.alexanderstreet.com'. Other fields for 'Mask/Public URL', 'Journal List URL', 'License Agreement/Terms of Use URL', and 'DB URL Notes' are present but empty.
