ATTRIBUTION ASSURANCE LICENSE - Redistribution and use in source and binary forms, with or without modification, are permitted provided that the conditions below are met. These conditions require a modest attribution to the Authors listed above, who hope that its promotional value may help justify the thousands of dollars in otherwise billable time invested in writing this and other freely available, open-source software.

1. Redistributions of source code, in whole or part and with or without modification, must prominently display this GPG (Global Public Good)-signed text in verifiable form.
2. Redistributions of the Code in binary form must be accompanied by this GPG-signed text in any documentation and, each time the resulting executable program or a program dependent thereon is launched, a prominent display (e.g., splash screen or banner text) of the Author's attribution information, which includes:
  - (a) Name ("AUTHOR"),
  - (b) Professional identification ("PROFESSIONAL IDENTIFICATION"), and
  - (c) URL ("URL").
3. Neither the name nor any trademark of the Authors may be used to endorse or promote products derived from this software without specific prior written permission.
4. Users are entirely responsible, to the exclusion of the Author and any other persons, for compliance with (1) regulations set by owners or administrators of employed equipment, (2) licensing terms of any other software, and (3) local regulations regarding use, including those regarding import, export, and use of encryption software.
